

# EDWARDS-RIGDON

## 2nd Annual Charity Golf Outing

Last year we were humbled by the impressive turnout and support for our inaugural Edwards-Rigdon Golf outing. Thanks to you, we were able to raise over \$16,000, far surpassing our initial goal for this event. We are thrilled to be hosting another outing this fall, and we have already set our sights on surpassing last year's donation. We hope that you will join us in our efforts, while enjoying a day that benefits a cause important to all of us.

All proceeds raised through the 2019 golf outing will again be donated to Susan G. Komen Central Indiana, with 75% of the funds staying right here in Central Indiana. The funds will be used for services including screenings, assistance with treatment, education and survivor support benefiting local men and women in Indiana. Susan G. Komen Central Indiana currently covers 41 counties. This money supports the very best research endeavors aimed at discovering breast cancer causes and treatments—and, ultimately, the cure.
